This Addendum forms part of the RFQ documents and will be subject to all of the terms set out in the contract conditions. This Addendum Two contains (one) page.

Addendum One

Item 1 – Answer to Question

Question: Can the pre-bid site visit be conducted virtually via a video call?

Answer: For Security reasons no video of the plant is permitted and bidders are advised to send a representative in person. Minutes of the site meeting will be circulated to all registered bidders following the site meeting.

Item 2 – Answer to Question

Question: When will the operating performance data and maintenance records be available for review?

Answer: Specific operating and maintenance records will not be made available prior to the tender closing. Upon award of the contract the records will be made available to the successful bidder.

Respondents are requested to acknowledge receipt of this Addendum (Two) by emailing
